

Freehand Machine Embroidery Masterclass Workshop

‘The Expressive Eye Project’

A one day introduction to, ‘Drawing with thread,’ the craft of freehand machine embroidery with guest artist Stacey Chapman; aka ‘Art Sea Craft Sea’

Have you ever wanted to learn a craft that is as individual as you? Ever wondered how to use your sewing skills to create artwork that is limited only by your imagination? Do you have basic to intermediate sewing machine skills? Then this is the workshop for you!

£70

per day
inc. lunch

This creative one day workshop will take inspiration from the glamorous adornment of the human eye. From Art Deco to Carnival, you will use this inspiration to explore the process of freehand machine embroidery to a level from which you will have the confidence to keep creating at home!

While the focus will be on machine embroidery, we will also experiment with a other textile skills, such as; appliqué, simple outline drawing using the machine and learn the basics of colour blending with thread.

This playful project will result in a work of your own to take away, adorned

with anything from glitter, to sequins, to paint. Celebrate your inner razzle dazzle or subtle sophistication in this personalised and creative workshop!

All materials and equipment are provided!

Where? Masterclasses are held at the Janome Centre, a fabulous purpose built training facility based in Stockport near Manchester

When? Wednesday 1st November 2017
