All Hallows Centre, Greenhill Rd, Liverpool L18 6JJ

Cost - £3 members, £5 visitors

11 am–1pm Bring & Stitch

Visitors welcome !

Project Linus UK is a volunteer organisation.

We aim to provide a sense of security and comfort to sick and traumatised babies, children and teenagers through the provision of new home made patchwork quilts and knitted/crocheted blankets, and give volunteers across the UK the opportunity to contribute to their local community.

We now have a large network of volunteers across the UK who donate their time and skills to create beautiful blankets and quilts.

Our volunteers deliver about 2,000 quilts and blankets to sick, disabled or disadvantaged children across the UK each month.

We always try to deliver quilts and blankets to children who are local to the makers.
