“ World Textile Day is my favourite day of the year! ”

Meet our world textiles experts
Our specialist traders are a direct link between YOU and artisan textile makers worldwide. We travel the globe researching, documenting and buying high quality textiles, costume and artefacts: supporting ancient traditions and creative innovation. Across Asia, Africa, South America and Europe, our fair trade businesses make a difference to the lives of our suppliers and their families.

What makes World Textile Day special? The **TEXTILES**, of course, sourced by our experts on their world travels. But it's also about **YOU**: your chance to see, handle and buy textile treasures you won't find anywhere else. And it's about the **PEOPLE** - past and present - who've devoted their creative and technical skills to producing cloths for ceremonial and daily use around the world.
