

# TRADITIONAL EMBROIDERY COMPETITION

These embroideries are some of the past winners of our traditional Embroidery Competition.

This embroidery competition is judged at our Christmas Party, which is usually held at the beginning of December.

As the title implies it is a competition for those embroiderers who like to use traditional embroidery techniques.

Some entries in the past have featured goldwork, hand stitching, Hardanger, crewelwork, appliqué, blackwork etc.

The prize is a monetary gift token.
